## **Invitation**

**Dear Prospective Sponsors,**

On behalf of the organizing committee, we are pleased to invite you and your organization to attend and exhibit at the 3rd Asia Pacific Academy of Implant Dentistry International Congress (APAID) that will be held in the Taipei International Convention Center, Taipei, Taiwan from March 8 to 10, 2013.

APAID is a non-profit social group duly organized and established under applicable legal rules for the following purposes:

- Promotion of research, training and health care quality of implant dentistry.
- Establishment and protection of the standards and rights of implant dentistry.
- Augmenting international academic exchanges in implant dentistry.

APAID is to improve and promote related education and research in oral implantology and to upgrade the professional standing of implant dentistry in Asia through proper international academic exchanges.

APAID has its principal place of business established under the jurisdiction of competent authority and may set up branches at the approval of the competent authority. The simplified version of the articles of association of the said branches shall be instituted by the Council and report for the approval with competent authority before execution.

Since a very limited number of booths and sponsorship items are left with a large number of interested companies, please register shortly. Should you have any questions, please do not hesitate to contact us.

Sincerely,

Dr. Sebastian Tseng  
Congress President
